Amendment of the rule *re* the effect of Stoppage of Increment on future increments.

ORDER NO. FL. 3247-306—S. & A. 256-34-1, DATED BANGALORE, THE 3RD OCTOBER 1934.

Government direct that the following note be substituted for the 'Explanation' to Article 79, Mysore Service Regulations (Page 27).

"NOTE 3.—When the authority passing orders to withhold an increment does not specify clearly the period for which the increment is withheld and does not expressly state that the withholding of the increment is not to have the effect of similarly postponing future increments, the increment should be held to have been put off permanently. For example, if on 1st July 1934, an officer already drawing a pay of Rs. 110 in the grade of Rs. 100—10—150 and in ordinary course entitled to an increment of Rs. 10 on the 1st July of each year is punished by the stoppage of his next increment, to which he would otherwise be entitled to on that date, he will, unless expressly directed otherwise, be entitled on the 1st July 1935, to draw Rs. 120 and on the 1st July 1936 to draw Rs. 130 and so on."
